● COUNCIL—Introducing some of Fortune's foremost citizens, members of its hard-working, enterprising Town Council—from left to right: Messrs. G. Collier King, James Wicks, Stanley Spencer (vice-chairman), J. R. Dixon (chairman), Mrs. Janet Hillier (clerk), Messrs. E. W. Hicks and C. E. Bennett. Fortune's Town Council came into being on August 20, 1946, an important date in the town's history. With an eye to the youth of the town who will one day assume the responsibility of running the council's affairs, the present body invites three Junior citizens to every Council meeting. All meetings are open to visitors, and the Council encourages residents to bring their complaints and suggestions before them in person.

A Message from the Fortune Town Council

It is with great pleasure that we help celebrate the 100th anniversary of our United Church in Fortune. The Church has provided invaluable assistance over the years to the residents of Fortune and we look forward to their continued involvement in our community in the years ahead.

We trust that all residents are celebrating the Church's Centenary this week by taking part in the many activities that have been planned.

Again, Best Wshes to the United Church and continued success in the future.

**The Fortune Town Council
Alec Noseworthy,
Mayor**

Residents of the Town of Fortune will not be faced with a tax increase in 1987. The town council approved its new budget prior to Christmas budgeting an expenditure of \$1,615,878.

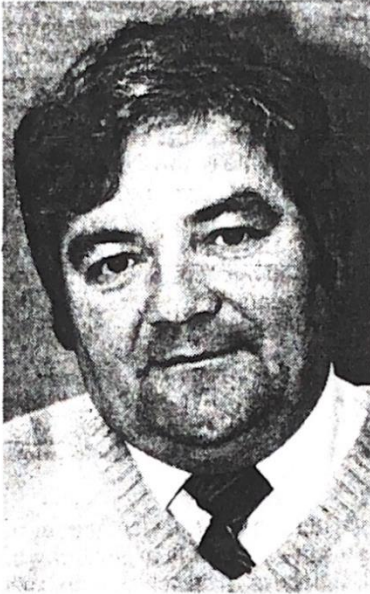

Mayor Junior King told the Southern Gazette the 1987 budget is "the largest ever prepared by the Town". As a formality, approval will be sought from the Minister of Municipal Affairs, however, a balanced budget presented by a town ordinarily requires only a signature of the minister.

The council's Finance Committee recommended no change in the present tax structure. Property tax remains at five mills, poll tax stands at \$100, business tax and water and sewer rates are also the same as last year.

Mayor King said "the municipal budget is very realistic" and revenue will provide the continuation of existing municipal services and for major improvements in 1987. Funding of \$375,000 has been approved for culvert replacement for Loggerhead Brook beginning in April.

Another \$80,000 will go toward phase one of the storm drainage and road improvements program for Confederation Street Land Assembly. Council is also anticipating additional funding to proceed with phase two of the project this year to correct the problems associated with the flooding of Confederation Brook and damages to personal properties.

Major improvements will be undertaken to correct storm drainage problems on Eldon

Junior King

Street. A cost sharing arrangement with the provincial government will finance this work.

This year Fortune will begin phase one of its sidewalks program. Council has pegged \$103,000 for this phase which will take in the area around Fortune Collegiate and Lake Academy. Funding for the project is also expected from the Canadian Job Strategy Program and the 60/40 cost shared program with the Municipal Affairs Department. The entire sidewalk and storm drainage program in this area will be completed in 1987.

Additional funds will be made available to the Fortune Fire Department this year to allow for purchase of equipment, training and a contribution to the 'Equipment Reserve Fund' gearing to

purchase of a pumper.

Firemen will still receive their \$10 honourarium for each meeting they attend and remuneration for councillors will remain the same as in 1986.

Debt charges, like with most other councils, continues to be the heaviest load on the Fortune council with \$235,706 set aside in 1987. The direct debt charge on the Fortune Arena alone will mean \$67,914 this year.

Council has approved funding for the purchase and installation of a new 'brine heater system' for the Arena. It will be installed this spring and will allow for an increase in summer and fall activities.

Mayor King said "council will continue its efforts to provide additional employment to the residents under our capital works program and through various projects funded by both levels of government. The Town staff," he added, "should again be commended on their efforts in 1986, providing some 100-residents with ten to twenty weeks of employment under the various programs."

King said the new budget displays the financial responsibility of the council and our confidence in the town staff.

The tax collection rate in Fortune remains at 95-percent, reflecting the co-operation of the residents and the control of the Town's administration, King said.

The Mayor stated, "my council will endeavour to encourage small business and development" as the town continues its efforts to attract new jobs to the community.

Charles Penwell November 15, 1989 - November 1993

Source of confirmation: his name is engraved in a nameplate on the Mayor's sash. Also, meeting minutes contain his name as mayor and/or his signature from November 6, 1989 to October 25, 1993. Page 1 from minutes of a special meeting on November 15, 1989, describes the following:

“The Council then took their Oath of Office. Nominations for Mayor were called. Councillor Major King nominated Councillor Charles Penwell. Councillor Charles King seconded the nomination. No further nominations. With unanimous agreement Charles Penwell was declared Mayor.”

MAYOR CHARLES PENWELL

35 Years of Dedicated Service to the Town of Fortune

At a regular meeting of the Fortune Town Council held on December 15th, Deputy Mayor Frazer Smith presented Mayor Charles Penwell with the Provincial Government's long term service award that would have initially been presented in person at the Municipalities Newfoundland Labrador Convention that was altered due to measures enforced due to the Covid-19 pandemic.

Deputy Mayor Frazer Smith indicated that the presentation was an honour for him to do – with the *longest serving Councillor and Mayor for the Town of Fortune* being his “father-in-law and best friend”. Deputy Mayor Smith indicated his desire to serve the residents of Fortune by seeking municipal office twelve years ago was attributed to the persuasion of his father-in-law.

Mayor Penwell humbly accepted his long term service certificate along with a gift (*a much needed ipad*) acknowledging the other Councillors for their commitment and purpose for seeking election in municipal politics as being genuine, despite the timely commitment involved.

“I've enjoyed it, but there were lots of challenges and arguments over the past 35 years”, Mayor Penwell said. He has sat around the table with lots of different individuals with conflicting agendas and views; nevertheless, all were respected and appreciated. At the end of the day – everyone got along!

Mayor Penwell concluded by thanking the present Council – “thanks for being good to get along with”, he said. He also provided encouragement for them to seek re-election in September of 2021. Mayor Penwell advises the public that he will not be seeking re-election once his term is completed. He strongly encourages residents to consider seeking municipal office, *especially women* (very low involvement in recent years). Contributing to make the community a great place to live can be very worthwhile and rewarding.
